Coming Soon - New Driving Range At Lake Kiowa

You might have heard that the Lake Kiowa POA Board of Directors recently approved a major upgrade to the driving range on the 52 acres which follows the Lake Kiowa Master Plan. It will be positioned next to the Par 3 Golf Course on the 52 acres. By moving the driving range, it opens the opportunity to install a west gate entrance in the future. See the site view below. The exciting upgrades include the following:

- New entrance off of KDW at the entrance to the Par 3 course
- Larger teeing area by more than twice the size
- Significantly larger range
- Improved turf on the driving range through effective sodding and sprigging techniques
- Increase in vehicle and golf cart parking
- Raised targets to work on more accuracy of golf shots
- Irrigation of the driving range

We were able to achieve a significant donation from First State Bank, our major Corporate Sponsor, along with avoiding additional set-up and staging expenses by selecting the Par 3 contractor for the Driving Range project. These cost savings contributed significantly to help Lake Kiowa reduce the project expenses.

Major work will begin on the upgraded driving range in November 2024 and expected to be completed and ready for our grand opening in June 2025. Until then, the existing driving range will remain open.

Longer term, we are discussing the idea of adding additional amenities such as hitting bays and top tracer technology at the driving range. You might have seen these features at other facilities.

Keep on the lookout for more information.

Christmas Parade for Golf Carts November 30

This will be our 1st annual Christmas Decorated Golf Cart Parade! We will start the parade at 5:30 PM and travel the first ½ of the July 4 route, returning down Mohican to the Pavilion, where Santa will join us for hot chocolate and cookies and then light the Christmas Tree!

Prizes will be given for the best decorated, Christmas-themed carts! Find your tinsel, twinkling lights, costumes, and whatever else to wrap up your cart for the holidays! Line-up will begin at 4:30 PM on Modoc Trail. The parade is rain or shine; if it rains, we will light the tree from the Assembly Room in the Lodge. Come out and try something new for the whole family as we expand our holiday celebration!

UPDATE ON PAR 3 GOLF COURSE AT LAKE KIOWA

The construction of the Lake Kiowa New Par 3 golf course is making excellent progress, and we are running on schedule and on budget.

- Contractor started work in early August 2024:
 - Trees were removed (majority of these were already dead) to make room for par 3 course
 - Bulldozers move tons of dirt on par 3 site
 - Greens, fairways, tee boxes and roadways have been formed
- Locations staked for irrigation, electrical power, restroom, roadway & infrastructure items
- Par 3 course on track to open June 2025
- Grand opening ceremony scheduled for June 2025, so be on the lookout for more details

Continued donations are welcome to support the Par 3 Course – both improvements and maintenance. We have a *wish list that includes* support ongoing maintenance costs, upgraded cart paths, tee mats, shade covers, and other items that will enhance the Par 3 Course. Click on QR Code for a copy of the Donation Form.

We are extending the deadline to donate and receive a recognition brick at the Par 3 courtyard. All donations are appreciated and any donation greater than \$1,000 will receive a brick with your name inscribed on it. We need to hear from you by **December 1st**.

Rosary Prayer Group

Prayer

O Mary, help me to grow in the knowledge and love of your Divine Son Jesus each day, and to see Him in all things.

The Rosary Prayer Group meets from 5:00 PM to 5:30 PM in the Board Room on the second Monday and fourth Tuesday of each month. This month we will meet on November 11 and 26. No commitments, just prayer and fellowship. May God bless you always.

LAKE KIOWA FELLOWSHIP

10 AM Sunday in the Lodge Community Room

Kiowa Kids for new walkers through 3rd grade

Thanksgiving month! November! Give thanks! Give thanks to the Lord for all the wonderful things we have! Praise God! Amen!

November is such a great month. Time to gather with family - and/or friends - on Thanksgiving Day, and time to reflect upon all our blessings in life. We are blessed beyond description here at Lake Kiowa! Wonderful friends, many have family living here also, great neighbors, our awesome Lodge, food and staff, our 18-hole golf course with our pro and staff that run/maintain it, our soon to be added Par 3 9-hole course, our 24 hour security and its staff, and certainly our time to worship each Sunday either at Lake Kiowa Chapel or at our Fellowship Service. Our Chapel encourages you to use the month of November to thank someone here

in Kiowa for their presence in your life and take time to consider privately and thoughtfully all you have to be thankful for. Praise God! Amen!

As for the November sermon series, please join us in the Assembly Room of the Lodge each Sunday at 8:00 AM and enjoy Rev. John Hare's sermon topics listed below based on each respective scripture verses, and don't forget Communion Sunday to start your Thanksgiving Week on Sunday, November 24.

November Sermon Series

- November 3*
"The Joy of Generosity"
I Kings 17:8-24
- November 10*
"God's In Charge - So Shut Up!"
Ephesians 5:15-20
- November 17*
"Need-To-Know Basis"
Mark 13:1-8
- November 24*

The Great Lake Kiowa Pumpkin Pickup

The 3rd Annual Lake Kiowa Pumpkin Pickup is happening again on **Saturday, November 30 starting at 9:30 AM**. Please have your pumpkins out at the curb **by 9:00 AM**. We will have multiple vehicles picking them up around the lake.

Please note we will not pick up broken or rotting pumpkins since they cannot be stacked on top of others.

If you need to drop off pumpkins early for the start of Christmas decorating or just tired of looking at them, feel free to drop them off at **310 Comanche**.

If you have any questions, feel free to contact **Aimee Harl at harlhouse@hotmail.com**.

Thank you

Dear Lake Kiowa Community, We can't thank you enough for the incredible support, donations, meals, and prayers during these past

months. On September 25, Kaden Johnson was in a serious accident and suffered a head injury, leading to a week in ICU and extended rehab.

Thanks to your generosity, we were able to focus fully on Kaden's recovery without the added stress of bills, and the meals provided were a blessing during a very difficult time. We're happy to share that Kaden is expected to make a full recovery, and we know this wouldn't have been possible without your help.

Your kindness and love have meant the world to us, and we are forever grateful to be part of such an amazing community.

With our deepest thanks,

The Johnson Family

Plastic Bag Recycling Program Is Underway

Over the next year, we are trying to accumulate more than 1000 pounds of plastic bags in Lake Kiowa. You would be surprised at how much we can accumulate. If you haven't joined the program, please sign up on GroupMe using the QR code below or reach out to

Aimee Harl at harlhouse@hotmail.com.

So far for September we have sent in **52** pounds to be recycled.

You can recycle so many options – feel free to ask questions about what can and cannot be recycled.

If you don't want a cardboard recycling box for your home, we are putting up drop off locations within the community to make it easier. More information to come on locations.

JUST REMEMBER – ALL BAGS MUST BE CLEAN AND DRY – NO FOOD or WASTE products in it.

Men's Biblical Conversation Group

Do you ever ponder questions about God and our culture that are not easily answered? Do you ever find that the simple answers about what God is doing, and our intersection of time and place leave you wanting more? Would you like insight into the teachings of The Old and New Testament that go deeper than surface responses? Would you like to know what other men of faith think about how faith and life intersect? Are you willing to take a hard look at our time and place in order to gain foundational Biblical truths? If these questions create a stir in you, then maybe the Men's Biblical Conversation Group may be for you. This group meets each Wednesday morning in the Southwest Room of The Lodge at 8:00 AM. You are invited and you will find a seat ready for you.

The Men's Biblical Conversation Group is a Bible Study that takes scripture and culture and applies foundational conservative Biblical

truth without apology. You are invited to come join the dialogue. In this Bible study group, the hard work of encountering life as it is live in our time and place here in Lake Kiowa and place it alongside the authoritative word of God as found in scripture. Tough questions are asked, and simple answers are not accepted just to keep people comfortable. Each week the group receives an email with the focus scripture verses, a devotional thought and material for deeper reflection. The group comes having read the passages and willing to share in conversation where different thoughts are encouraged to be expressed. Rev JH Langley is the group convener, and he keeps the group focused and Biblically centered. He is seminary trained with over 30 years of Lead Pastor experience. He has traveled the Holy Land and the journeys of Paul and has a deep understanding of the Bible. In addition to his Master's Degree in Divinity, he has a Master's of Social Work so his understanding of the intersection of Bible and culture has a reality that keeps conversation flowing.

There is no advanced registration required, and men of all Christian faith traditions are part of the group. This 60-minute conversation group honors the time each one gives. If you have any questions reach out via email to revjhl@ntin.net. This is an invitation to come and join the conversation and the men who take faith and Biblical foundations seriously.

The Helping Hands of Lake Kiowa group is up and running! We are a resident-based volunteer organization established to help those who need a little assistance and are not capable of doing it themselves. We are here to enable an improved quality of life for our Lake Kiowa residents via a group of willing volunteers. We are dedicated to giving the best "handyman" help by using a group of service-minded volunteers who live in Lake Kiowa. Our number is 940-443-2737. We look forward to hearing from you!

ICVFD

The ICVFD is seeking two additional volunteers to serve on our Board for a two-year term. With three current Board members rotating off in March 2025, we need individuals willing to dedicate time and energy to help guide the organization.

The ICVFD provides essential services, including fire protection and other critical community needs. By joining the Board, you'll be contributing

directly to the safety and well-being of our community.

Commitment

Term: 2 years

Meetings: 1 per month

If you're interested in serving or have any questions, please contact admin@indiancreekfd.com

In addition to Board members, we also need volunteers for various smaller tasks related to the fire department's operations. If you're able to help, please reach out to us.

Thank you for considering this opportunity to support the ICVFD!

Our ICVFD volunteers responded to 44 emergency calls in the month of September.

Equipment

Our emergency response equipment is in decent condition with all available for service. The new fire engine has been put into service. We have placed an order for a new Brush Truck (a grant of \$240,000 will pay for the majority of this vehicle). Delivery of the brush truck is not expected until March/April 2025.

Volunteers

We currently have 12 active volunteers with ICVFD. We are always looking for additional members. If you are interested in becoming a volunteer, please contact us.

Other News

Thank you for supporting ICVFD. Our volunteer firefighters could not do their job without your support and donations

The American Legion Auxiliary Unit 265

The American Legion Auxiliary Unit 265, Lake Kiowa, is humbled to participate in the National Wreaths Across America, honoring the military by placing a fresh balsam veteran wreath on the graves of our military and doing so in a way that has never been done before.

The common practice when honoring veterans is to walk through a cemetery and place a flag or wreath on all graves that have a military headstone. Veterans who do not have a military marker are not honored.

Our genealogist has identified hundreds of veterans in Cooke County who have no military headstones, and she has marked the

grave locations with GPS. For the first time ever, the American Legion Auxiliary Unit 265 will place wreaths on the graves of ALL military veterans in the Estes Cemetery and the Oak Grove Cemetery. A large number of these veterans do not have a military marker of any kind. To name a few, in the Estes Cemetery are Rowland Cadwallader who fought in the Civil War, George Newton Brown who served in World War I, and Will Ingram who served in World War II. Of the many without

military stones in Oak Grove Cemetery are Orren Harrison (Civil War), Leon Barron, a U.S. Navy veteran, and Lester Headrick, a U.S. Army Veteran.

As we place the wreaths on all veterans' graves, we will say their

names. There is a well-known saying: "A soldier dies twice: once when they die, and once when their name is never said again." It is our mission to ensure that the memory lives on of all our local veterans.

We will have a ceremony at Estes Cemetery on December 14 at 10:00 AM, followed by placing wreaths at Estes and Oak Grove cemeteries. Please join us for this memorable event. If you can't attend the ceremony, you can assist us in honoring our veterans by purchasing wreaths. Go to www.wreathscrossamerica.org/TX1443P and click "Sponsor Wreaths." Make your tax-deductible donation of \$17 for one wreath or the most popular donation of \$85 for five wreaths. If we get extra wreaths this

year, we will use them to honor veterans in other local cemeteries.

Thank you for helping us with this mission. Starting this year, "Gone but not forgotten" will finally be true.

Happy Veterans Day! We honor ALL that served. I love November: cooler temps and a lot of patriotic mission work! We look forward to seeing you at our fundraising golf tournament on November 4. Our Veteran Dinner is on November 9.

On Monday, November 11, Veterans Day program will be held at the Pavillion. Did you know that during the 11th hour on the 11th day in the 11th month, WW1 ended?

Your donations have allowed this Unit to donate to Operation Holiday Joy, helping with the cost of holiday food for active military. LaQuita Barton and Janet Janssen took on the mission of shopping and delivering much-needed items for the Bonham VA nursing home. Such a fabulous job, ladies.

We are grateful to Walmart Gainesville for the help, financially and physically. We thank managers Adam English and Tina McDaniels.

Socks for Soldiers is really for the entire military family. We hope you can consider dropping off socks for men and women, and some fun holiday socks for children. Porch drop-off will be at 110 Cocopa from now until December 2. We ship everything on December 3. Wreaths Across America is on December 14 and the ceremony will be at 10:00 AM at Estes Cemetery. Then we commence with wreath-laying at Estes and Oak Grove. Happy Thanksgiving to all.

FOLK

Friends of Lake Kiowa

As we wrap up 2024, FOLK is busy planning activities for the new year. Jeremy and his staff have some great new ideas that we hope to be able to co-sponsor, but new ideas mean a need for more funds. You have a couple of days left to order the fall t-shirt if you have not done so already. See the order form in this issue or on FOLK's page on the Lake Kiowa website. The last day to order is Saturday, November 2. Shirts can be picked up on Saturday, November 16 or Saturday, November 23 at the Lodge between 10:00 AM and 12:00 PM. Please help us to continue to provide entertainment for Lake Kiowa by purchasing a t-shirt.

Jigsaw Puzzle Exchange will be held on Wednesday, November 20. You can drop off your used puzzles at the Lodge between 3:00 PM and 5:00 PM. We ask that you **not** donate puzzles with missing pieces. For every puzzle donated, you can choose a "New to You" puzzle on Thursday, November 21 at the Lodge between 3:00 PM and 5:00 PM. This event is **FREE** to all residents of Lake Kiowa.

One of our very favorite events, Golf Cart Caroling, will be held on Tuesday, December 10. Meet at either Little Fox

Pond or East Beach at 5:15 PM. There will be a Frito Pie/Baked Potato Bar available at the Lodge for \$15 after we finish caroling. We ask you to make reservations if you are planning on eating. Please see the announcement in this issue and use the QR code to make your reservation. This will ensure that we have plenty of food for all that want to eat. Light up your golf cart and come enjoy the fun. If you know someone, young, old, or in between that would enjoy the carolers stopping at their house, please contact one of the co-captains at the following numbers: Mike Brindle at 512-657-8222, John Kallina at 972-529-2596, or Shelley Parkinson at 972-841-3412.

The last Blood Drive of the year will be held on Wednesday, December 18 in the Southwest Room. We are close to our goal of 100+ prints in 2024, so please consider donating. We are so appreciative of your past donations and hope to see you on the 18th.

FOLK is again providing the music at the NYE's party at the Lodge. Vic Duncan and his 4-piece band will be here to entertain us and welcome in the New Year. Watch for more details to come but it will be a night not to miss!

Lake Kiowa Quilt Bee

Lake Kiowa Quilt Bee is 20 years old this year. In honor of that, we are presenting a FREE Quilt Show entitled "What's Been Under Our Needle" on November 16 in the Lodge Assembly Room from 10:00 AM to 3:00 PM. Please stop by, buy a ticket for the beautiful "Kringle" quilt we are raffling off, and enjoy what has been under our needles! The drawing for the quilt will be at 2:00 PM. You need not be present to win.

In conjunction with the show, we will be collecting canned goods and non-perishables for VISTO. Look for our sign and basket in the entryway. Let's help with the Thanksgiving meals and the non-perishables for the "Backpack Buddies" program that they provide for Gainesville kids.

Our Show and Tell started with Caryn Schneiderjan showing us two beautiful items she has recently finished up. The first being a bench pillow cover of cute Christmas houses. Caryn bought this kit at the Bee retreat last month at Box Car Quilts. Sew very cute! She also showed a Christmas Ornament quilt she made for a previous business partner's

housewarming. What a treasure to display at the holiday season.

Lisa Bohannon showed us another awesome Christmas quilt that she made for herself. She used Batiks. If you don't know what a Batik is, they are super colorful, no right or wrong side as the dye goes all the way through the fabric, and they typically don't ravel or fray. A beautiful outcome using these Batiks. Lovely, fun, and happy quilt, Lisa.

Next, Marybeth Jones showed a cute Fall Pumpkin quilt she made. This is pumpkins galore and is a Bonnie Hunter pattern. Marybeth started and ended this quilt at our last retreat. Check out the cute piano key border. Love this.

As our parade of holiday needle work continued, we had Brenda Davis show us an extraordinary bed scarf that she not only pieced but machine-appliqued all those little snow friends on. The glit-

tery white adds to the elegance of this bed scarf. Great job!

Carol Suggs made and modeled her third Quilted Jacket. The outside she said was from a denim curtain. How's that for using what you've got? Carol has perfected the art of jacket making and this one is sew special!

Maureen McKnight showed us a quilt she made for the Calisburg Elementary Fall Festival. This pretty quilt will either be raffled off or in a silent auction to raise money for the school. Thank you to Maureen for supporting our schools.

Dianne Wardlow brought the finished tee shirt quilt she and her friend Cydney Wells from Washington had worked on. Cydney came from Woodinville, Washington with her tee shirts from all the places she had visited around the world; they cut and placed them, and Dianne did the sewing to construct this beau-

tiful memory quilt. Stunning memory for sure.

Lastly, although she was unable to be at our meeting, Cathy Buzzell finished a beautiful red, white, and blue quilt top at our last sew day on October 4. She has a little more to get it finished but I'm sure the recipient is going to be thrilled.

Also during our meeting, Cynthia Roth came to share a part of her left-over inventory from Cynthia's Yarn shop. Her recent retirement as a small business owner in Gainesville enabled us to pick from oodles of yarn, notions, and yard goods. Cynthia supplied nine door prizes for our group. Kathie Millburn, Regina Ponomarenko, Faye Lackey, Stephanie Broun, Jeanne Smith, Marybeth Jones, Dianne Wardlow, Denise Weslowski, and Becky Banham were the lucky winners. Thank you, Cynthia, for sharing with us.

The next meeting of the Lake Kiowa Quilt Bee will be November 4, 7:00 PM at the Lodge. Don't forget our quilt show on the 16th!

Kiwanis
Serving the children of the Callisburg ISD

The end of the 2024 calendar year is fast approaching with Lake Kiowa Kiwanis busy trying to make the Callisburg HS/MS Courtyard Project a reality for the students. We are almost to the finish line. The concrete is poured, the cover is up, the electricity is installed, fans and lights are plugged in, and the tables are in place. Now for implementing the finishing details which include benches, decorated planters, and fence. They have all been ordered. Watch our Facebook page, Lake Kiowa Kiwanis,

for the announcement of the ribbon cutting. LK Kiwanis couldn't make the courtyard a reality without support from our magnificent donors.

Special Thank You

During the month of October, LK Kiwanis club members participated in Lake Kiowa community events that included the Kapers MGA Tournament and Kiowa POA Fall Festival. A special THANK YOU to the Kiwanis volunteers who helped raise funds for the children by putting in over 75 hours maintaining the beverage coolers for the Kapers MGA tournament. A special THANK YOU

to the volunteers who supported the Lake Kiowa POA Fall Festival by manning the cornhole game.

In addition, a special thank you is issued to the LK Kiwanis members who attended and supported the Callisburg Elementary School (CES) Annual Fall Festival and Live Auction. The CES Fall Festival is a fundraiser to raise money that goes directly back into the classrooms.

A special thank you goes to Lake Kiowa

Members James Unruh and Chris Hale for helping give the 5-year-old Little Libraries a fresh look. Over the years, these libraries have suffered damage from weather and usage.

Chris and James rebuilt broken parts, sanded, and repainted. The Little Libraries are located at the Dam Park walking path, and the Lodge, Fox Pond, and East Beach playgrounds. Kiowa Woman's Club supplies the library with books reading levels for grades K-5. Come bring

The Remarkable Gift of Hearing Well

And the gratitude of being heard

It works both ways. You experience such joy in hearing what others are saying to you. Consider how pleased family and friends are to know you hear (and understand) their words, meant for you.

That, too, is a gift.

With a groundbreaking design, exceptional focus, ultimate convenience, and unparalleled aesthetics, the WIDEX SmartRIC™ will help you enjoy an active life, feeling more connected and focusing on sounds you want to hear.

"I don't feel like I am wearing hearing aids! They are perfect and invisible."

Carolyn Macaluso, Las Vegas, Nevada

"After wearing the new hearing aids for a month, I fell in love with their ability to manage speech in noise, and their quick connection to Apple® and Android™ devices."

Steve Douglas, Fort Wayne, Indiana

"Our patients are saying they have never heard a hearing aid that was so clear! They can finally understand conversation – in both quiet and noisy environments. What's really exciting is that we've put it on patients who have the most difficulty hearing and sometimes they have been so emotional because they say it's like hearing their life the way it used to be."

Thanksgiving Meals

To ensure that all Callisburg Elementary students and their families can have a joyous Thanksgiving holiday, LK Kiwanis distributes food through the schools to select families. The recipients are identified after receiving input from school counselors. LK Kiwanis members will meet at Scivally's to buy food for the assembly of the Thanksgiving meal boxes on November 18. The distribution of the Thanksgiving meal boxes

to the recipient's families will occur at the Callisburg Elementary School on November 21.

We would like to emphasize that the purchase of the Thanksgiving meals would not be possible without your generosity in donations at the annual BBQ Fest and throughout the year! The Kiwanis club, Callisburg ISD, the children and their families give thanks to our wonderful community for its continued support! You are making dreams come true.

J3 Customs was built from a long line of creators. As a 4th generation builder, Jessica Martinson has construction in her blood. From the design and budgeting stage through the fruition of the project, J3 is hands-on through every stage. My passion is to take care of the customer and do what I say I am going to do, it is that simple. Being a Lake Kiowa resident and working in the fabulous community has proved one thing, reputation is everything. My goal is to help the homeowner fulfill their dream by offering them close personal attention and commitment to their project.

DREAM

Most projects start with a vision most likely from an HGTV episode or a Pinterest photo. While some may say you need to narrow your expectation, we say let's make this happen!

DESIGN

Unlike the old days when your contractor draws your kitchen renovation out on a napkin, J3 uses 3D software to bring your vision to reality. Walk through and visualize your project beforehand.

DELIVER

With a proven track record of completing projects at or under promised timelines and budgets, we are here to ensure the construction process goes as smoothly as possible.

Lake Kiowa Anglers & Conservation Club

ANGLER & CONSERVATION CLUB

It's certainly hard to imagine that fall officially began over three weeks ago. Temperatures are still hovering in the low 90s and no rainfall makes it feel like summer has just extended itself. The lake and fishing have taken a beating because of it. The rain we received in late September actually helped slow the declining lake level a bit, but since then the water level has been on a gradual daily drop. As of today, October 10, we are only 1.2 feet low. It sure feels like more than that. Cooler weather and some rain sure would benefit both the lake and fishing. Sooner or later, that will happen.

Daily fishing activities on the lake continue to be slow due to the hot weather. Tournament fishing began again the third week of September with our monthly Team Bass schedule resuming. The abnormally warm temperatures even forced us to adjust

the start time on that tournament so it started and ended earlier than normal to allow for avoiding some of the hot mid-day temps.

September Monthly Team Bass Tournament Winners

First Place: Jerritt Bronnenberg and Logan Bronnenberg (14.08 lbs.)

Second Place: Rob Cummins and Brandon Burks (11.91 lbs.)

Third Place: Phil Bradshaw and Zack Bradshaw (9.28 lbs.)

Big Bass: Chance Willis and Steve Doron (5.14 lbs.)

Standings after five tournaments in the race will determine who will be "Team Angler of the Year." With their 1st Place finish in September, Team Bronnenberg with 236 points has now expanded their lead slightly, but Team Cummins/Burks with their 2nd place finish is hanging close at 232 points. Teams Smith/McGee with 205 points and Team Pannell/Huie with 204 points still have an outside chance.

The first Saturday in October was our final couple's tournament for the year. Again, because of hot weather conditions, participation was low with only three teams participating.

October Couples Team Bass Tournament Winners

First Place: John & Roberta Kallina (9.62 lbs.)

Second Place: Mike & Wynn Hutter (7.24 lbs.)

Big Bass: John & Roberta Kallina (3.17 lbs.)

Here is our upcoming events/tournaments schedule. The year is winding down, but still plenty of important events/tournaments are planned. Or for complete details, go to our Facebook page (www.facebook.com/LKACC), and find out everything you need to know.

Aside from our final two Team Bass Tournaments for 2024, there are several other important dates for us. First, one will have happened on Saturday, October 26: the annual Fall Festival led by FOLK. LKACC again will have a fishing booth for

both younger and older kids to try their fishing skills. Second, an important event happens on Saturday, November 9 with our inaugural "Clean Up the Lake" event (see included flyer). The year closes out with our annual Christmas party. It's always loads of fun with great food and fun for everyone attending (see included flyer for details). For more in-depth information on this event, along with all our other events/projects/initiatives and many others, including Sylvie's weekly fishing reports since better/cooler weather is approaching, see our Facebook page (www.facebook.com/LKACC).

The Club would like to get updates from you on how the fishing is on the Lake. Please remember that if you do fish and catch a biggun', send me pictures of your catches and we'll include them in this monthly article. My cell number is listed below.

Included in the article will be a QR Code which takes you to our 2024 Events/ Tournaments schedule and Membership form. You can also obtain a Membership form from Jayme at the Lodge or Kendall at Main POA Office. To find out more, contact Mike Brindle at 512-657-8222 or Cecil Heath at 972-948-6219. The cost is only \$35 per family.

Each month there is a trivia question included within the article.

Text your answer to my cell phone (972-948-6219) or email me at cecilheath33@outlook.com by the end of the eighth day of the month. The names of those people with the correct answer will go into a hat and one winner will be drawn. That person will be notified and wins a \$25 gift certificate to the Lodge compliments of LKACC. The correct answer and the winner's picture will be also included in the next month's article.

November Trivia Question

What is the best bait for catching bluegill?

- A) Live Crickets
- B) Kernal Corn
- C) Wiggly Worms
- D) Live Minnows

The inner selected for the \$25 gift certificate this month was Lynn Tadlock. Great job, Lynn. Thanks to everyone for taking the time to participate. Only takes a minute. Just respond for your chance to win next month.

Quote of the Month

"I know an old wise fisherman who once told me he enjoyed the times when the fish weren't biting because then he had the time to see and hear all the things he would have missed if he was too busy hauling in fish."

Gone fishing..... will be back at dark:30.

Thanks for your support.

Pickleball Association

Gratitude to Pickleball by the Letter

P – Players. It's a great way to meet and make new friends that you might not have otherwise met.

I – Inclusive. Pickleball is open to everyone. Come one, come all.

C -Challenge. You can learn at your own pace, challenge yourself.

K – Knowledgeable. Lessons are available and people are very open to share their knowledge.

L – Longevity. The game is for all ages and is a great family sport.

E – Exercise. Great way to improve your health and manage your weight.

B – Balance. Play leads to better equilibrium and poise.

A – Appreciation. I have never left the court after playing that I'm not grateful for my Lake Kiowa Pickleball friends.

L – Laughter. The courts are always full of laughter and fun.

L – Low Cost. Compared to many other sports, Pickleball costs less.

Pickleball and Thanksgiving

As I sit here thinking of all I have to be grateful for, and I'm truly blessed, I can't help thinking of what Pickleball means to me. I find myself grateful to partners who reassure me when I make mistakes and forgive me for making strategic errors. I feel grateful for the peers who give me tips on getting my serve in. I feel grateful to the person who graciously sat out so I could play one more game with my friend before they had to leave. The list goes on and on. I am grateful for the opportunity to test out a paddle, for a bite of a granola bar, for the loan of a cap or sunglasses. Researchers state that noticing gestures that evoke gratitude restores faith in others. In the Lake Kiowa community, gratitude seems to feed caretaking. Without any pressure, no heavy recruiting, no promises of perks, people step up to run events, offer instruction, arrange games, etc. Pickleball is like a big loud, happy family.

From the Pickleball community to your family, we hope you have a wonderful Thanksgiving. If you don't already, come give Pickleball a try. You'll be hooked in no time!

KWC Tour of Homes

The Lake Kiowa Woman's Club invites you to our annual Tour of Homes! We will be featuring six beautiful homes decorated for the Christmas season. It will be a fun and entertaining event, so plan to join your neighbors as they tour Kiowa on Sunday, December 8, 1:00 PM-5:00 PM!

"Tickets" can be purchased online or using a paper form. Advanced

ticket sales (purchased through Wednesday, December 4) are \$12. After December 4, tickets will only be available on the day of the event for \$15 (cash or check). No physical tickets will be issued. Once you purchase an advance ticket, your name will be added to our registered list. A volunteer will check your name off at the first home you visit, and you will be given a wristband to wear throughout the event.

Get your tickets early and kick off your Kiowa Christmas at the KWC Tour of Homes!

Home of Mike and Sheri Demarest - 1236 Kiowa Drive East

In 2010, after visiting friends in Lake Kiowa several times, Mike and Sheri Demarest succumbed to the charm of this wonderful community, and knew it was the right lake for them. They then started the search and purchased their home in the Spring of 2011 for use as a part-time weekend home. Soon after the purchase, their Kiowa experience got off to a very "windy" start as a tornado spun across the lake and came dangerously close to their lake house. While some homes experienced significant damage, the Demarest's house was thankfully spared, with the exception of the loss of the back deck, and several large trees. In 2019, they started preparing to move to Kiowa full-time from Plano by embarking on a large-scale remodel which involved completely gutting the inside of the original single-story house and doubling it in size, and finally becoming full-time residents in spring of 2020. Ceilings were raised, walls were pushed out, and rooms were added to realize their dream of creating a spacious family home overlooking Lake Kiowa. With the ability to accommodate frequent visits by their children and grandchildren, the Demarest clan fully enjoys fun times on the water and the peacefulness of watching stunning sunsets from their personal outdoor oasis.

Home of Sara Wallis - 116 Seminole Drive East

Sara Wallis recently purchased the five bedroom, three and a half bath home on Seminole Drive. It exudes comfort and luxury. Step inside and be greeted by high ceilings, a beautiful staircase, and wonderful natural light. The heart of Sara's home is the cozy living room with a wood-burning fireplace that overlooks the dining room, screened porch, and lake views. The primary suite is on the main level, while newly renovated additional bedrooms, bathrooms, and guest space are all located upstairs. The backyard oasis truly sets Sara's home apart, complete with a screened porch for shade and bug free outdoor enjoyment, two expansive decks, one off the kitchen and breakfast room and one by the water's edge, a private putting green for honing her golfing skills or hosting friendly competitions, a sparkling swimming pool complemented by a stylish cabana, ample backyard grass for yard games and play, and a boat dock with separate jet ski ramp for endless lake enjoyment. This home embodies the essence of contemporary living paired with outdoor bliss. Come on by and welcome Sara Wallis to Lake Kiowa.

Home of Kent and Lori Wolf - 130 Sequoya Drive

Kent and Lori Wolf moved from Denton to Lake Kiowa in 2021. Their first home was located on Cayuga Trail and they enjoyed that location for two years. But, the sound of the Kiowa shuffle soon filled their ears, and they danced on over to Sequoya Drive. Before moving in, they updated the flooring, painted throughout, added new lighting, and resurfaced the pool. The previous owners packed light and left most of the home's furnishings (including an adorable bear to welcome the new owners). The Wolf's home offers a spacious floor plan, an expansive corner lot with a beautiful pool, and a standalone workshop. Kent and Lori enjoy relaxing around the pool and hosting family-time in their lovely home. They also take advantage of all the amenities that Kiowa offers, especially the opportunity to make new friends, play golf, and go kayaking. You can also find them teaming up with other members of LK Kiwanis Club as they serve the children of the Callisburg ISD. You will want to allow ample time to tour the Wolfs' very special home and check out Kent's favorite workshop - the rumor is Santa may be setting up a new Kiowa location!

Home of Doug and Tammy Gilmore - 909 Kiowa Drive West

Doug and Tammy Gilmore's home offers stunning views of the lake, overlooks the West Beach, and provides ample opportunity to check out the happenings at the lodge all from their spacious wraparound deck. The Gilmores purchased their home on Lake Kiowa's west side in 2013 and moved here from Carrollton. Tammy freely admits that their home was not "love at first sight!" But, she and Doug had a vision of creating a comfortable and welcoming home that their large (and growing) family could enjoy for many years to come. They added a stone fireplace, replaced flooring, remodeled bathrooms, converted an office into a grandmother's suite, and added an upstairs bunk room. The open-concept main floor is inviting to guests and cozy enough for their grandchildren to play to their heart's content. Not only did the Gilmores create a beautiful family home, but they also put their love into the Kiowa community. They were one of the first five couples to become members of LK Fellowship Church, they are involved in numerous outreach opportunities, and they call their neighbors personal friends.

Home of Kenny and Rachel Chronister - 229 Colt Drive

In 2023, Kenny and Rachel Chronister had several goals to reach when they decided it was time to retire and sell their home in Tulsa, Oklahoma. They wanted to be closer to their children and grandchildren who live in Prosper. They also wanted a home that had the feel of a cabin in a community that offered opportunities to worship, play and build new friendships. When they found Lake Kiowa, they knew that they had found home. Rachel loves the cozy cabin feel of their Kiowa home and describes it as "being hidden in a nest of trees." The lower level of the home had been renovated in 2021 and provided the perfect space to fully instill the bungalow feel that Rachel envisioned. Each room has been wonderfully decorated for the holiday season and is sure to stir the Christmas spirit in all who visit. After touring the home, you will also enjoy lingering awhile in the Chronister's fabulous backyard. It is uniquely landscaped with a large flagstone patio, fire pit, and a walking path. Save plenty of time to meet Kenny and Rachel, enjoy the coziness of their home, take a minute to listen as Keith Orsburn plays holiday tunes on the piano, and then relax on the patio while having a sweet holiday treat.

Home of Randy White and Cindy Anderson - 137 Blackfoot Trail

Beginning in 2022, Cindy Anderson was having a great time visiting friends and playing golf in beautiful Lake Kiowa. But she soon tired of the long drive from Dallas and made the life-changing decision to move here full-time. The search for an existing home to purchase proved to be extremely frustrating. Rather than give up, Cindy pivoted her attention to an available lake lot and sought the help of architect Larry Boerder to design her dream home. Twelve months later, Life's Buoy was ready for Cindy to move in and turn the first page of a new chapter in her life. New chapters often hold life-changing surprises, and this was true for Cindy. Her best friend and golfing companion, Randy White, proposed marriage. This happy couple and their stunning new home are not to be missed on this year's tour. While you are enjoying the home, do not forget to check out the fabulous backyard paradise and before you leave be sure to congratulate Cindy and Randy on their upcoming wedding.

Lake Kiowa Woman's Club

KWC Letter from the President

November, “a season of thankfulness,” reminds us to ponder and be grateful for all we have to be thankful for. We are encouraged to reflect on the good we have experienced and celebrate the challenges we have overcome. It’s a time to be thankful for the people who have made a difference in our lives and the small victories that brightened our days. So, as we enter this month that ushers in the beginning of the holiday rush, take time to reflect and embrace the warmth of family, friends, and the year’s quieter moments.

Last month, Deborah Johnson, Author of *ON RISING: Recipes and Rituals for Joyful Mornings*, joined us as our guest speaker. She spoke to us about how she learned to connect and be in the present moment as a way to enjoy the delights of daily life. We also heard about our community project for this year with CASA North Texas. CASA North Texas advocates for children from infancy

to age 18 across Cooke County. At our November General Meeting this month, we will be collecting toys and gifts to donate for their Holiday Toy Drive. If you would like to donate, but are unable to attend the meeting, please let me know and I will be more than happy to arrange a time to pick up your donation.

When getting dressed each day, do you ever wonder “Should I wear this or that?” Well, you are in luck! Come join us at our general meeting, as we learn from Dallas’ best personal stylist Tara Hooper. Tara will bring energy, humor, and relatability to her presentation as she shows us how to “get our style on.” This month’s general meeting will be on Thursday, November 14, starting at 10:30 AM (social hour and check-in begins at 10:00 AM). After the program, enjoy a tasty Thanksgiving lunch complete with turkey, stuffing, green bean casserole, and pumpkin pie. Remember, there is a tutorial on the KWC page of the Lake Kiowa website if you need help on how to register. Still having some trouble getting started on the registration process? Don’t hesitate to let the contacts listed on each month’s

registration link know – they would love to help you! The link for registration can be found in this month’s issue, on the Lake Kiowa website under the KWC section, or in our weekly KWC Constant Contact. Please make sure to register and let us know whether or not you are eating, or if you are only attending the meeting, so we will know the number of tables we need to prepare.

The 2024 KWC Tour of Homes will be on December 8, from 1:00 PM to 5:00 PM. There are six beautiful homes for you to visit that will be decorated for the holidays. The Tour of Homes is a big event every year, so be sure to mark your calendars! Tickets can be pre-purchased for the discounted price of \$12 each through Wednesday, December 4. After December 4, tickets will be available at the event for \$15 each (cash or check). If you ordered a T-shirt, the orders can be picked up on Saturday, November 16 from 10:00 AM to 2:00 PM at the Lodge.

In closing, I encourage you to use this season to reflect on the small everyday blessings – the laughter of loved ones, the moments of reflec-

tion that bring us peace, say “thank you” to those who have supported you throughout the year, and be reminded that some of the most valuable things in life are the connections we nurture.

KWC Garden and Nature

The October Garden and Nature group took a trip to Aubrey, Texas and visited Green Valley Gardens. It was a beautiful sunny day, and the gardens were blooming with zinnias, Mexican sunflowers, celosia, marigolds, sunflowers, gomphrena, amaranth, and many others. They also had basil, squash, tomatoes, beans, and gourds. Green Valley Gardens is a U-Pick Flower Farm, and many ladies filled their cups to the brim with colorful and unique flowers. Green Valley Gardens is next to Box Car Quilts, which is filled with fab-

ulous fabrics, and the C.W. Antique Shop. Everyone had the opportunity to browse these shops. We wrapped up the morning with lunch at Upper Park Café on Main Street in downtown Aubrey. It was a wonderful time!

KWC Book Club

We had a wonderful, informative, and entertaining first book club of the season in October. Our speaker was Carolee Juergens, a professional book reviewer, storyteller, and retired librarian from South Dallas. She recommended books to read for 2024-2025 which are listed below.

- The Tumbling Turner Sisters* by Juliette Faye
- Hitchcock's Blondes* by Laurence Leamer
- Bessie* by Linda Kass
- Dandy Don Meredith the First Dallas Cowboy* by Dave Lieber
- The Frozen River* by Ariel Lawhon

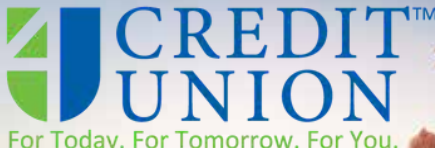

- Traitors Gate* by Jeffrey Archer
- The End Game* by Catherine Coulter
- Upstairs at the White House* by J.B. West
- Pie Town* by Lynne Hinton
- Mercy Me* by Margaret Graham
- The Evening and the Morning* by Ken Follett
- The Women* by Kristen Hannah
- The Measure* by Nikki Erlick

Be sure and come to the November book club where we will watch the movie, *The Boys in The Boat*, eat some popcorn, then have a movie-book comparison.

The Red Hat Society

We have reinstated the Red Hat Society meetings! We will meet on the 5th Tuesday of the month, with fellowship and lunch at a nice restaurant. Dress to the nines in purple and wear a red hat! RSVP to Genevieve Avinger at 940-230-6461.

Lake Kiowa Woman's Club

The Evolution of Dining Divas aka Gourmet Club: A Journey Through the Decades

What we now call Dining Divas has a rich history of culinary exploration, dating back to the beginning of the Kiowa Woman's Club in 1973. Over the decades, the club expanded its activities and introduced new themes, events, and culinary experiences. In recognition of the launch of the 5th Edition of the Lake Kiowa History Book, let's look back to its evolution.

Early Foundations and Luncheon Beginnings

In the initial Kiowa Woman's Club Charter, the Gourmet Cooking Department was established. Within two years, the department became so popular that a constitutional amendment had to be made to establish two branches of the Department: The How-to Gourmet and The Luncheon Club. The How-to group, by far the largest, focused on practical cooking tips, such as *how to buy meats, use herbs, maximize the use of your blender, and bake hot breads and pastries*. This hands-on approach was a key element of the club's early identity, blending education with the joy of preparing and sharing food. The Lun-

cheon Club was typically hosted in people's homes. Initially the fare was light refreshments but soon became full course buffets.

The 1980-1990s: Expansion and Themed Dining

While the How-To group continued to meet, the Luncheon Club was busy dining-out in restaurants throughout North Texas, Fort Worth, and Ardmore, Oklahoma. The Chili Cook-off was introduced in 1982, which marked one of the club's first competitive events. The cook-off became a signature tradition for a time, drawing participants eager to showcase their best chili recipes. However, in later years, the cook-off evolved to reflect changing interests.

By the 1990s, there were seven groups with 24 members each. Each year the club would adopt different themes ranging from *Down Home Foods*, featuring picnics and stews to the *International Year* featuring a French Brunch, Germanfest and Chinese, to name a few. For several years the club hosted "A Kiowa Luau on the Beach" for members and their husbands, complete with a roasted pig!

The 2000s: A Burst of Creativity and Innovation

The new millennium brought a renewed focus on creativity and diversity within the Gourmet Club. The club introduced a series of unique themes that spanned various culinary traditions. Some of the standout themes from included *Football Tailgating, Trick or Treat, English Tea, Some Bunny Special*, and the *Gourmet Dinner Dance*, held in May; this formal event brought the year's culinary explorations to a close with a celebratory dinner and dance with spouses.

In 2011, the club had grown significantly, leading to the organization of the first evening group. By 2013, the club had expanded to include eight groups, each with its own unique name including *Out to Lunch Shopping, One Hour Lunch, Culinary Gourmet, Orchid Gourmet, Zinnias Gourmet, Lavender Gourmet, Sunflowers Gourmet, Lily Gourmet, and Tulips Gourmet*. The How-to Club gradually went away but members still traded secrets during the monthly gourmet meals.

Special Events and Culinary Traditions

In September, Group 5 enjoyed Lovejoys in Whitesboro.

Throughout its history, the Gourmet Club has also hosted a number of special events including the Murder Mystery Dinner, St Patrick's Day Dinner, Spring Fling Friendship Dinner, and Christmas Dinners with spouses. The club's dedication to exploring international cuisines is evident in its many themed dinners, featuring foods from German, Chinese, Mexican, Italian, and Indian traditions. These international dinners allow members to learn about different culinary cultures, experiment with new ingredients, and expand their cooking repertoire.

Today

Coming out of the pandemic, it was decided the club needed a new name to reflect the dynamic members so in 2021 the name was changed to *Dining Divas*. Today the group has over 300 participants spanning 18 groups. Each group charters its own adventures in culinary explorations and occasionally groups combine for Christmas or other special outings. Just for fun we will share some interviews with the groups so you can appreciate the uniqueness of each group. One thing they all share is their love of good food and good times together.

KWC Dining Divas Group One

In September the group went to Heirloom Haul in Frisco, Texas, which is a contemporary take on the classic tea-room serving scratch-made sandwiches and salads, followed

a tour through the Frisco Star to check out the Dallas Cowboys.

Members: Chair Jennifer Monda Co-Chair Tina Borden, Lisa Bohannon, Kelly Brister, Denese Capps, Cathy Cecil, Norma Crew, Elizabeth Deal, Tamara English, Gay Enright, Kim Howell, Patricia Mead, Michele Porter, Amy Reid, Cindy Randolph, Lisa Shugart, Vicki Springer Karen Vandermolen, Trish Wagner, Sara Wallis

When did your Dining Diva Group start? Approx. 18-20 years ago. Several of the original members are still in it including, Cathy Cecil, Karen Vandermolen, Kim Howell, Pat Mead, Norma Crew and myself, Jennifer Monda.

How do you decide what to do each month? In September of each year, Tina Borden sends a survey to the members with ideas for things to do. This helps the person planning for the month to pick out things the members want to do.

If the group had to compete in a cooking show, who would win and why? Lisa Bohannon because she's a great cook and entertaining.

How has the group helped you build stronger friendships or connect with other women in your community? The friendships we have made throughout the years in Dining Divas have been invaluable. It's always nice to know you have the support of friends when celebrating your victories and weathering the storms. These ladies' friendship is a gift and a bond that I will always treasure.

Have you ever planned a themed dinner around a specific culture or type of food? What was the experience like? One month Lisa Bohannon requested the group bring a recipe from the Kiowa Woman's Cookbook to Dining Divas at her home. It was fun sharing all the delicious family recipes. It was definitely a bonding experience among friends.

Which celebrity chef would you want to cook your dinner, and what would you ask them to make? Bryson off TV show Master Chef Junior. I would eat anything he wants to serve me.

If your life was a dinner party, what would be the theme? Tropical.

Group 2 Dining Divas enjoyed a couples luncheon at Johnny and Lisa Healy's Ranch Seven Points in Montage.

Group 15 had a bumper crop turn out at Goodies on Commerce. We loved reconnecting with those we had not seen for a bit. Thanks everyone.

Kiowa (bought and remodeled our home in 2021) the in/outs, about the KWC and keep us updated on all the events. The majority of the ladies have been around Kiowa and have great info and insights to share. It's also a good opportunity to volunteer to help with the Home Tour etc. I've made some very strong connections with most of the ladies, and we have met outside of DD.

Food and Dining Experience This year we kicked off our planning by first meeting poolside with frozen margaritas and fajitas from Manu-elita's. We all signed up to take one month to host - that would be to have everyone over to our home or on occasion go out to local restaurants. We usually all bring food to share, which is a fun experience. In February, we decorated cookies for Valentine's Day to take home to our hubbies. Most of our events all have a theme assigned to them and we will co-chair an event which encourages more ladies to sign up to host.

When was the group formed? Not sure, but it may have been one of the first evening Dining Divas groups. We have a very diverse group of ladies from 40 to 80 years of age! It's wonderful and interesting.

Group Dynamics Our group tends to meet in each other's homes. We find we can visit and get to know each other easier in that setting.

Social and Personal Impact I love this group. I joined last year as I work remotely and honestly this is one of the few evening activities to choose from. I have learned so much about

Fun and Lighthearted We have a wonderful bunch of women that truly enjoy spending time together. We don't have cliques and newcomers always feel very welcome and we make an effort to include them in the conversation. That was my personal experience when I was a newcomer last year!

KWC Library Shelf

For those of you who are new to the Lake Kiowa Community and for those of you who seldom frequent the library, below are a couple of tips to help you navigate our shelves and find treasures that you may want to read.

We love having Lake Kiowa readers come visit whether you are an old-timer or a newcomer! Plus, we love those who donate consistently! Happy reading!

Tips For the Library

A map of the library has been drawn up for you to see where the different genres of our books can be located. It is on the desk in the library.

We have over 75 shelves of hardbacks, so it is not a small library. We have some very generous people who donate their new books after they read them. If you want to do that, too, we would welcome it.

To donate some books, please give the head librarian or assistant librarian a call or text us, even if you only have one or two books. (Martha – 214-232-1564 or Amy – 817-343-2677) We do not want boxes or sacks of books left at the library.

Hardbacks are always together and not in with their genre so it's possible

a book you are looking for may be in the hardback section and not shelved with its particular paperback genre.

Nonfiction books are shelved by author and biography books by the individual about whom the book was written.

When checking a book out, please put the date, name of the book, and your name in the notebook on the desk. This holds true to the audio books and CDs, too.

You can check the book out for as long as you want but please not too, too long. We do not assess fines.

When returning your book, please look in the notebook for when you checked it out and cross everything off. We would appreciate you doing this for all books, even though it is only required for hardbacks.

After returning your books, please put them in the bin on the desk. There are different women on the library team that will shelve them.

The library is located inside the special utility building below the dam. Make a left as you enter, and you will see the library door.

We are open from 8:00 AM to 4:30 PM. If the light is off, please enter anyway. The light switch is on the left when you enter. Please keep the light on when you leave.

Book Review

Balloons Over Broadway: The True Story of the Puppeteer of Macy's Parade by Melissa Sweet, author and illustrator

Meet the master puppeteer who invented the first balloons for the Macy's Thanksgiving Day Parade. Melissa Sweet brings to life the inspirational story of the puppeteer who invented the giant balloons floating in the sky during the annual parade celebrating Thanksgiving. The Caldecott Honor artist brilliantly captures the essence of Tony Sarg, a self-taught immigrant with a fascinating imagination.

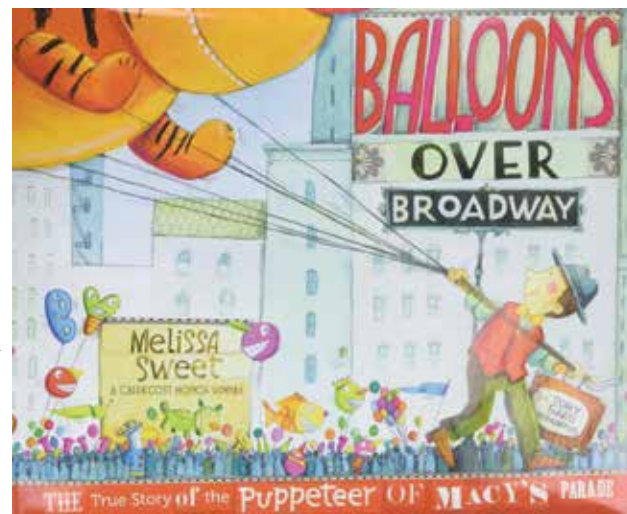

The collage illustrations, coupled with Sweet's storytelling, portray Sarg's joy in his childhood inventions and his ingenious balloon creations that still delight viewers around the country. This nonfiction illustrated book will capture the hearts of all ages. – Amazon.com

"It's a history lesson, inventor's sketchbook, and inspirational story all rolled into one marvelous mixed-media masterpiece. Sweet's beautifully rendered true-life tale will have your child's imagination soaring to new heights!" — Education.com

Look for this book in the Lake Kiowa Little Free Libraries. Thanks to Kiowa Woman's Club for purchasing the monthly book review books for the Little Free Libraries.

Thank you!

A big thank you goes to Chris Hale and James Unruh with Lake Kiowa Kiwanis for refurbishing and refreshing the Little Free Libraries. The li-

braries are looking great now that they have been repaired and painted (see photos). Stop by any Little Free Library to see how good they look and to find a book for a kid in your life.

Book Donations

It's up to everyone to help keep our libraries full of good reads! Bring books to share when you can! You can donate books by dropping them off at any Little Free Library location or by contacting Linda James for pickup.

Men's Golf Association

The Men's Golf Association hosted the annual Kaper's Member/Guest tournament September 26 - 29. We were blessed with amazing weather throughout the weekend, although some would have preferred higher temperatures if that meant not having to tee off into a north wind on hole 16.

We have to thank our major sponsors for the tournament: Sharp Oilfield Services, First State Bank, Glen Polk Ford, Classic Auto Group, D&L Farm & Home, Applejack's Liquor, Zimmer Kubota & North Texas Family Medicine. We can't thank these businesses enough for their charitable contributions. There is no way we could have a successful tournament with all the tee gifts, giveaways, meals & other prizes without their donations.

We also need to thank all those who purchased hole signs or made other contributions to the Kaper's. Organizations such as the Women's Golf Association & Kiwana's provided much needed labor & support for the tournament. Sharp Oil Services donated an amazing steak dinner for Saturday night's meal and D&L Farm & Home also provided a great meal for the players. Other meals came from Manuelito's, Dieter Brothers & Happy Dogs. 4R Winery graciously donated 24 bottles of wine that were given away by random drawing to the player's guests at Saturday night's meal. Despite fighting some struggles with his voice, RJ Stroup herded the cats and got us through the Calcutta auction.

This year we increased the field to 104 teams (8 flights of 13 teams) to avoid having teams who want to play getting left out. Due to late drops, we ended up with 12 teams in 4 of the flights. We played the Stableford format where players earn points for every bogey or better. Those points were compared to their quota which was established by their handicap. After the 1st 2 rounds of the tournament, the quotas were adjusted up or down by half of the number of points the player made or missed their quota by in each round. This format helps keep the majority of teams within reach of finishing in the top 4 places.

The winners from each flight were:

- 1st Flight
 - Micah Davenport & Casey Barbee
 - Brandon Carr & Martin Evans
 - Ben McKnight & Zach Moerschell
 - Jay Weaver & Alan Gray
- 2nd Flight
 - Joe Moerschell & Ernie Kennedy IV
 - Tom Sledge & Bryan McCullough

the Calcutta we had on Friday night after the 1st round. The shrewdest bidders received significant payoffs if they picked one of the top 3 finishing teams. Many teams won a "skin" for having the lowest team score in their flight on a hole and we also gave away cash prizes for "closest to the hole" on the par 3s.

With the help of the WGA, this year's Kaper's brought back an old favorite. The ladies set up a 7 hole putting contest on the practice green featuring several holes with sneaky slopes and score killing out of bounds lines. The putting contest was open to anyone who wanted to pony up the \$10 entry per attempt. The youngest contestant to make the final 8 was Hudson Saller. He spent hours on the practice green honing his skills before taking a shot at qualifying. The 8 players qualifying for the finals were Tim Hickie, Ernie Kennedy IV, Casey Klement, Travis Klutts, Zach Moerschell, Hudson Saller, Zach Sams & Tom Sledge. Zach Moerschell beat out Ernie Kennedy IV in the final match for the overall win.

To wrap things we would like to show some special appreciation & acknowledgement to the follow:

Bryan Brown and his grounds crew worked their tails off to get the course in great condition. We heard many remarks that the course was in the best shape it had been in for years.

Lauren Weaver and her golf shop and range team kept the show running despite some unexpected hiccups like losing power Friday night when they were entering the day's scores.

Many members of the MGA board spent considerable time & effort getting ready for the tournament & during the tournament. However no one put in as much of their heart & soul into the Kapers as our Tournament Director Ronnie Wilson.

Did You Know?

DID YOU KNOW...

That the Handicap Committee has the authority to adjust a player's calculated Handicap Index so that it better reflects their demonstrated ability? You're probably thinking, "So that's how you take care of sandbaggers!" While that is one application of a handicap adjustment, more often than not, we adjust a player's Index for a medical reason and that's the subject of this DYK.

That new knee, hip, or rotator cuff surgery usually has a significant impact on your ability to play golf. You come back after weeks or months of rest and rehab, your scores go up, and you can no longer compete with your playing partners or in competitive events. That's where your Handicap Committee comes in because we can manually adjust your Handicap Index to reflect your new demonstrated playing ability.

First, you, the player, must request an adjustment from the Handicap Committee. We will look at your entire scoring record, both before and after your return to play to see if an adjustment is warranted. The *Rules of Handicapping* Rule 5.2a (on the web at USGA.org) allows us to calculate an Index with as few as three scores. For example, before rotator cuff surgery, a player's best eight of twenty scores gave an Index of 12.6. After six months of recovery, rehab, and no golf, they start playing again and have

four scores when they request an adjustment from the committee. The average differential of the four new scores is 19.3 and the committee agrees to adjust the Index. Unfortunately, the new Index won't be 19.3. The 5.2a procedure for only four scores calls for the one lowest differential and an adjustment of -1.0. The lowest one differential in our example is 18.6 so the player's new Index will be manually adjusted to 17.6. Depending on the scoring record, a Low Handicap Index adjustment may also be required to insure the Soft and Hard caps work properly. The number of rounds played determines how many scores are used to calculate the new Index. For example, nine to eleven scores takes the average of the lowest three scores. When a player has twenty new scores the Handicap System once again takes overusing the lowest eight of the twenty to calculate a Handicap Index.

If you think you need a handicap adjustment, or have a question about the Handicap System contact any member of...

Information from the President

WGA has been busy with lots of fun playdays, tournaments, Putt & Wine socials, and volunteerism in September and October! We operated the Kapers

Putting Contest for two full days of the men's tournament and it was a huge success! We were able to give away \$1300 in cash prizes to eight top places in this putting contest. Our WGA ladies were the scorekeepers for anyone who wanted to pay and play in this putting contest. See the photo of us busy at work! The contest was open to Kapers participants as well as anyone else in the community who wanted to play. We even had 12-year-old Hudson Saller in the Top 8! It was a lot of fun. WGA ladies set up a similar putting course that we had a social event at on September 30. Of course that was fun too! November will bring a final first Wednesday scramble for the year as well as our final playdays

Recap of Events and Tournaments

On Monday evening, September 30, the WGA had another super fun Putt & Wine Social organized by our President, Dee Dorman, where approximately 50 ladies came out for a challenging and entertaining putting contest. With only five holes to conquer, the putting green was designed using red strings that were considered out of bounds if you crossed them, making scoring a little more difficult this time. Even though the contest was harder, it was great practice and very enjoyable. A good time was had by all! The lowest scorers were: Winner – Nancy Nix with a score of 11, 2nd Place was a tie between Denise Adams and Ginger Boothe with a score of 13, and 3rd Place (determined by a playoff) was awarded to Lisa Fults, Paddy Merolla, and Beth Payne all with a score of 14. Good job, ladies!

Ticket sales have begun for the annual WGA Christmas Dinner and Dance which is scheduled for Friday, December 6. Please see the flyer for details. The deadline to purchase tickets is Friday, November 29, which is the day after Thanksgiving. With the holiday season fast approaching, you don't want to wait until the last minute to buy them. This is always a fun and festive

event with the WGA and you won't want to miss it!

The WGA monthly scramble was held on Wednesday, October 2, with 50 ladies participating in a lovely fall morning of golf.

Winners

1st Place: Amy Zych, Misty Leverett, Laurie Dickinson, and Lisa Shugart

2nd Place: Ginger Boothe, Sherrie Fails, Denise Adams, and Lori Wolf

3rd Place: Nancy Nix, Lezlie MacElroy, Jeana Williams, and Lisa Fults

4th Place: Amy Lancaster, Michelle Porter, Denise Thompson, and Sharon Wolek

The theme for this year's annual Member/Member Tournament was **Taylor Swift – Lake Kiowa Eras Tour**. The golf tournament took place over two days (October 5-6) and there was both an 18-hole division and 9-hole division. For the 18-hole division, the 2-person teams played a net scramble on the front, net best ball on the back the first day, then a gross best ball on the front, gross scramble on the back the second day. The 9-hole division played a net scramble the first day, net best ball the second. We had 54 members, making up three flights, competing in the 18-hole division

and 14 members competing in one flight for the 9-hole division. There was also an optional shootout on Friday afternoon (October 4) beginning at 3:00 PM where 56 of the ladies in the four separate flights competed and one team was eliminated each hole until the ultimate winners were declared. We also awarded proximity prizes for Saturday's play for Longest Drive on #11 and Closest to the Pin on #13. Results of the tournament and shootout are below.

Community Manager Report

It is the time of year to be thankful. I know I am thankful every day for our staff here at the POA. This team of employees works 365 days a year to provide a safe, clean, and hospitable environment for the community. Our people make the difference, and I am thrilled every day when our team shows up to make our members' daily experiences great. This also includes the staff at the *CommuniQué* and at the Pro Shop, as they are an integral part of our daily experiences. Please join me in extending a "Thank you" to all our staff members.

I am thankful that our predecessors have implemented a strong foundation of governance, community, and infrastructure that provides us with a strong base to work from.

Our Board of Directors provides both continuity and new ideas with their rotating three-year terms. They volunteer countless hours providing direction for our community and I believe they are a group committed to our future.

We also are blessed with committee volunteers who devote their time to critical functions such as Architectural Control, Celebration, Communication, Election, Facilities, Golf & Green Advisory, Information Ser-

vices, Lake & Parks, Lodge & Tavern, Long-Range Planning, Nominating, Rules, Safety & Security, and Ways & Means.

Members work with the POA staff to keep our community operating and moving toward the future. We have many groups that volunteer their time to support our community and other communities outside of Lake Kiowa. These include our Chapel group, Friends of Lake Kiowa, Kiwanis, Kiowa Woman's Club, Lake Kiowa Anglers and Conservation Club, and our Men's and Women's Golf Associations. They give back each and every month with the activities they put together for our members. From the summer concerts to the fall festival, these groups help bring our community together and make it the great place it is.

We are all thankful for the Indian Creek Volunteer Fire Department whose members donate their time and risk their lives trying to save our lives and property.

We all work together here, and I believe we all should be thankful for that. We live in a community that is extremely fortunate and has a bright future ahead.

Rich Augustyniak
Community Manager

Public Works Report

November is the perfect time to express gratitude for all that we have and to remind the important people in our lives just how much they mean to us. Let's take a moment to appreciate our achievements and the blessings we've enjoyed this year. It's the people around us who enrich our lives, and together, we help shape our great nation.

As we approach Thanksgiving, I hope each of you is planning a special meal with loved ones, whether that's a shared meal in person, a call on the phone, or a video chat. Whatever your Thanksgiving looks like, you deserve this time to reflect and give thanks!

Things to Consider

With the rainy season approaching, it's important to think about how water flows around your property. Make sure to clean out gutters and check downspouts for any needed repairs. If you have French drains, inspect the cleanouts to prevent debris buildup that could obstruct water flow. Don't forget to clear out bar ditches and remove old sediment to ensure proper drainage. If you have a driveway pipe, keep it free of debris as well.

Also, pay attention to your sprinklers—both irrigation and septic—to prevent water from spraying onto the roads, especially as we head into winter. This can help prevent hazardous freezing conditions.

Project Updates

Road Repairs: All major patch repairs are now complete. Crack sealing on Kiowa Dr. West will continue following a sealcoat application from the 200 block of KDW to LWC#1.

Road Striping: Most of the necessary striping has been completed, particularly around Kiowa Dr. and other key areas.

Drainage Project: A small drain-

age project on Chippewa Cove has successfully addressed a road culvert pipe issue.

Nature Trail: Clean-up efforts in the Nature Trail area are ongoing.

Front Entrance Project: The POA is actively working with consultants to finalize the proof of concept for the Front Entrance Project and establish pricing estimates.

Par 3 Updates

The installation of new underground electrical power provided by Pentex has been completed. This is to provide necessary power for the maintenance barn as well as future bathroom, clubhouse, etc.

Par 3 irrigation equipment installation has begun and is currently ongoing.

Par 3 road entrance design/layout is ongoing.

Reminder

Fall clean-up will take place from Thursday, November 7 to Saturday, November 9, from 7:30 AM to 3:00 PM each day. Please mark these dates on your calendar!

Employees from Lake Kiowa will be available at the campground area to help you remove items from your trailers, trucks, and cars. Remember, you cannot dispose of motor oil, tires, vehicle batteries, or liquid paint (only dried-out paint cans are allowed) in the dumpsters. We will also have a metal-only dumpster, so please bring any metal items you'd like to recycle!

Rule of the month

3.3.1.9 - * Animals in Public Areas

Except for those animals trained for assistance to persons with special needs, pets are prohibited in the community center and adjoining patio, and in all areas of both the East and West Beaches, including the pavilions, playgrounds, swimming areas and tennis court. Pets on leashes are permitted at other park areas including Association docks and fishing areas.

Youth Golf Cart Safety Class

Due to staffing shortage the youth golf cart safety class was canceled on October 19, 2024 and rescheduled for November 23, 2024, at 12:00 PM. If you have questions, please call Chief Melanie Cade or Cpl. Jennifer Pope at 940-665-3221.

Fall Clean-Up

Fall Clean-Up will take place from Thursday, November 7 through Saturday, November 9, from 7:30 AM to 3:00 PM each day. During this time, Lake Kiowa employees will be stationed at the campground area to help with the removal of items from trailers, trucks, and cars. Please remember that motor oil, tires, vehicle batteries, and liquid paints are not accepted in the dumpsters—only dried paint cans are allowed. We will also have a dedicated dumpster for metal items, so please bring any metal scrap you have for proper disposal.

As fall is upon us, please remember to maintain your lawn and drainage ditches to keep them tidy, including free of fallen leaves. Maintenance of your drainage culverts is necessary to maintain the flow of storm water. Please rake up leaves before they go into the drainage ditches and subsequently the lake.

Prevention, or proactive measures, can be the best way to stave off the costs of dredging the lake and assist in keeping a lake in the best condition for your enjoyment. When we speak of these measures, we are mostly focusing on prevention and reducing the amount of these materials into the coves themselves. Organic materials are the number one external influence that negatively affects the health of our lake. Reducing the external loading of these organics will reduce nutrients that can propagate algae and vegetative growth. One common form of additional organics being added into a waterbody is the blowing of grass clippings and leaf litter into the water. As these materials decompose, they release nutrients and create organic sediments that will accumulate over time. We ask the members of this community, lawn maintenance, and building contractors to be aware of this and to ensure that these measures are taken to keep our lake in the best condition possible.

Editorial Policy

The policy and purpose of this publication is to inform all residents of events and activities within our community, to report on actions and decisions made by our Lake Kiowa Property Owners Association Board of Directors, and to publish the results of those decisions.

The following items will be accepted for publication: events and information about

Kiowa organizations that are open to all residents; events in our surrounding communities when Kiowa residents may be involved in them; and items of a personal nature that reflect on the generous character of our residents or a milestone in their lives.

A Letter to the Editor should be fewer than 350 words and will be accepted if it presents a thoughtful and constructive view to an issue that may be controversial within our community. It may be reviewed and verified for factual accuracy by the appropriate authority. The factual clarification will be published along with the letter. The letter should be typed or in legible handwriting, signed by a verifiable resident, and will be published unedited with misspellings indicated when necessary. If handwriting cannot be easily read, it cannot be used. The *CommuniQué* will not be responsible for misreading a handwritten word. A letter may be refused publication if space is limited. If several letters are received expressing the same view, one may be chosen for publication.

Letters containing personal attacks, self-promotion, or advertising will not be published. Letters to the Editor do not necessarily reflect the view of this newspaper or its advertisers.

Make The Smart Choice!

Why buyers or sellers should choose one of our local Lake Kiowa realtors over an outside agent:

- Local Expertise:** Our agents KNOW the market, the neighborhood, and trends better than someone from outside.
- Local Connections:** Our agents have a network of trusted local professionals to streamline the process.
- Personalized Service:** As a part of the community, our agents are focused on long-term relationships, not just transactions.
- Quick Availability:** Being nearby allows us to respond quickly for showings or meetings. Outside agents can't take potential clients on boat rides or for a round of golf or even give them a pass to drive around the neighborhood.
- Community Involvement:** We understand the needs and dynamics of the area better than an outsider.
- Regulatory Knowledge:** We're familiar with POA rules and local regulations that can affect transactions.

Our agents are local, knowledgeable and ready to help with any real estate needs!
